

FCRS 'Make a Difference' Team - Fundraiser/Helper

THE OPPORTUNITY

Be part of something that makes a real difference to the lives of a refugee community in Conakry, Guinea by enabling the children to go to school.

Since becoming a registered charity in 2008, a small group of volunteers have worked to raise awareness of the plight of these children and to raise funds for the school so that it can stay open, expand its curriculum, and start to work towards sustainability.

The school has increased in size and we need to increase our fundraising activities to reach more potential donors, so we would like more people to join us to:

Organise and help with fundraising events

THE ORGANISATION

FCRS is the sole funder for Conakry Refugee School in Guinea. The school provides education for refugee children (from kindergarten to school graduation, equivalent to GCSE) who have escaped from civil wars in Sierra Leone and Liberia.

All those involved in the charity are volunteers. We keep in regular contact with the school and provide funding for: topping up teacher's salaries, renting school buildings, books and sports equipment, developing vocational courses, and a daily meal for each child.

SKILLS/QUALIFICATIONS

In general: working as a member of a team; enthusiasm; reliability; organisational ability; and good communication skills.

Also, depending on the specific fundraising activities undertaken, the role may also involve: ability to work on your own; ability to co-ordinate a team of volunteers; IT skills; media skills; and networking skills.
